2024 Frequently Asked Questions

What are the facilities like?

At Camp we use one of the Olympic-sized swimming pools, access to beautiful Brookside Park, a shaded arts and crafts area, and air-conditioned rooms. We also have access to baseball fields, soccer fields, play structures, an outdoor stage, and a shaded picnic area.

Can I create my own schedule?

We will only have weekly registrations for 2024. Campers must be registered Monday-Friday, a week at a time.

What does tuition cover?

Everything, including swim and dive lessons, all field trip entrance fees are included in the tuition, and campers are not allowed to bring money to camp.

Will my child receive a swim lesson?

YES! Each camper has access to an optional swim lesson. (We offer a mandatory swim lessons on request). Lessons are taught by the Rose Bowl Aquatics Center's swim instructors between 9:00 a.m. and 11:00 a.m. Campers are divided into swim groups by grade and ability. On their first day of camp, each camper must take a swim test and is placed in a lesson accordingly. We do not offer swim lessons on field trips that leave at 9:00 a.m.

What group will my child be in?

Campers are grouped by **Fall of 2024** grade level. If you would like to group siblings/friends in different grades together, the older camper will be placed with the younger camper.

What if my child does not want to participate in a certain activity or field trip?

Campers may choose what they want to do each hour from our selection of activities. Campers may choose an activity that appeals to them; this includes the field trips.

What should my camper bring to Camp?

Swimsuit, towel, sunscreen, water, snacks, lunch, and drinks. No money.

This will require a medical doctor's note for a reason to miss camp. Make up weeks* need to be made up this year and is based on available spots in the same age group for future camp dates.

*campers can't make up individual days missed and can only move full weeks if space is still available.

How do I sign up?
