On behalf of all the lives strengthened at the Rose Bowl Aquatics Center, we extend our deepest gratitude to our lead Water Safety Month champions, **the Dewey Family**, whose generosity helped make this year's campaign an incredible success. Thanks to their leadership — and the support of our entire community — we surpassed our goal and raised **over \$25,000** in support of our water safety mission.

If you haven't had the chance to contribute and would like to be part of our life-saving initiatives, you can still join us in our year-round commitment to water safety. Every gift, no matter the size, strengthens the RBAC community and expands access to our programs.
