RBAC Patron Spotlight: Sara Lessley

"It is the best therapy ever."

After a recent Rheumatoid Arthritis diagnosis, longtime patron Sara Lessley turned to our Water Fitness classes to help manage her pain and mobility. The active 67 year old enthusiastically reports the Water Fitness program is "applauded by all my docs and I FEEL such a difference when I can attend." After a tumultuous year of inflammation, Sara believes her therapy pool classes (and new friends) have returned a sense of normalcy to her.

Best of luck to Sara's progress!
